Optical Blurring Facial Powder

EURO-FOR-ICB022-11

This light, protective facial powder provides a silky soft afterfeel while protecting from the sun's harmful rays. Zano® 10 Plus is a potent UV filter offering the best balance between highest broadband UV protection and transparency. Omyaskin® 100-OG is a natural mineral that provides a velvety texture to skin with its mattifying effect.

Optical Blurring Facial Powder

EURO-FOR-ICB022-11
