

A collection of cosmetic brushes and products. At the top, a large, round brush with dark bristles is coated in a thick layer of light brown powder. Below it, a smaller brush with a black handle and dark bristles is resting on a square, light pinkish-beige compact. In the bottom left, a round glass jar is filled with a smooth, light brown cream, with a brush partially submerged. The background is a light-colored, textured surface, possibly paper or fabric. The right side of the image is a solid blue background with a subtle, abstract pattern.

100.00

Procedure

1. Heat A and B to 80°C.
2. Mix phases C and D using a three roll mill.
3. Add C+D to B while heating.
4. Under rapid mixing, add B to A.
5. Complete cooling and add E.
