

## Pure Shampoo Bar

This water-saving conditioning shampoo bar offers purity and balance to the hair and scalp thanks to the inclusion of red marble. This will be a favorite as it provides extra foam with gentle cleansing.

## Pure Shampoo Bar

| Ingredients                 | INCI Nomenclature  | Suppliers   | % w / w |

**100.00**

### Procedure

1. Intensively mix soap noodles with all the ingredients for 5 minutes.
2. Refine and homogenize the soap base by means of the soap extruder using the drilled plate for 3 minutes.
2. Extrude the soap base using the extrusion cone.
2. Cut the final soap into desired length or press it into a shape.
